

DATE OF BIRTH

CITIZENSHIP

July 17, 1992

German

WORK EXPERIENCE

University of Washington, Seattle, United States

October 2020 – present

Postdoctoral researcher

Supervisor: Dr Kevin King

Project topic: Do emotions shape people's substance use?

EDUCATION

Radboud University, Nijmegen, The Netherlands

October 2015 – October 2020

PhD candidate

Supervisors: Dr Erik Bijleveld & Dr Madelon van Hooff

Promotors: Dr Sabine Geurts & Dr Michiel Kompier

Project topic: A motivational perspective on labor/leisure decisions

Maastricht University, Maastricht, The Netherlands

August 2014 – August 2015

MSc, Work and Organizational Psychology (cum laude)

Advisor: Dr Philippe Nelissen

Thesis topic: Multilevel analysis of organizational citizenship behavior in work teams

Thesis grade: 8.5 (GPA: 8.6)

Completed Honors program PREMIUM for high-performing MSc students

University of Groningen, Groningen, The Netherlands

August 2011 – August 2014

BSc, Psychology

Advisor: Dr Monica Blaga

Thesis topic: Achievement goals and task difficulty

Thesis grade: 8.5 (GPA: 8.1)

SELECTED PRESENTATIONS

(2023) Improving our understanding of the etiology of problematic alcohol use via alcohol's reinforcement value in longitudinal and experimental data. Annual meeting of the Research Society on Alcohol (RSA), Bellevue, United States.

(2023) Open Science lessons for accelerating EMA research from a NIDA-funded study on alcohol and marijuana use. Annual meeting of the Society for Ambulatory Assessment (SAA), Amsterdam, The Netherlands.

(2023) Exploring the emotion regulation function of alcohol and marijuana use in everyday life. Ruhr University, Bochum, Germany.

(2022) An introduction to Bayesian mixed-effects modeling with the brms package in R. University of Washington, Seattle, United States.

(2022) The paradigm of the future? How to leverage a large-scale collaboration to make 20 years' worth of progress in 1 year. Indiana University – Purdue University Indianapolis, United States.

(2022) The past, present, and future of studying the affect-alcohol use association in intensive longitudinal data: A friendly debate among collaborators. Annual meeting of the Research Society on Alcohol (RSA), Orlando, United States.

(2022) A collaborative, preregistered meta-analysis on the daily association between affect and alcohol use in everyday life. Annual Collaborative Perspectives on Addiction Conference (CPA), Portland, United States.

(2022) A practical guide to Open Science practices in addiction research. Annual Collaborative Perspectives on Addiction Conference (CPA), Portland, United States.

(2021) Leading a meta-analytic Team Science project: Lessons learned. University of Illinois, Champaign, United States.

(2019) Introducing the adoption of Open Science practices in psychology: The Nijmegen workflow. Annual Conference of the Dutch Association for Work and Organizational Psychology (WAOP), Amsterdam, The Netherlands.

(2018) Why do we get fatigued – opportunity costs in mental labor/leisure tradeoffs. Annual Conference of the Dutch Association for Social Psychology (ASPO), Nijmegen, The Netherlands.

(2018) Task disengagement via the smartphone when fatigued. 30th Annual Conference of the Association for Psychological Science (APS), San Francisco, United States.

(2017) The bidirectional relationships between smartphone use and mental fatigue while at work. Annual Conference of the Dutch Association of Work and Organizational Psychology (WAOP), Nijmegen, The Netherlands.

(2016) A psychological perspective on smartphone use. The InnBetween Maastricht, Maastricht, The Netherlands.

(2016) (Non-)work-related smartphone use blurs the boundaries between work and private life. Annual Conference of the European Association of Work and Organizational Psychology (EAWOP), Dublin, Ireland.

ORGANIZATION AND COMMITTEES

Reviewer for annual grants program of Addictions, Drug & Alcohol Institute 2023	University of Washington
Reviewer for annual grants program of Institute for Translational Health Sciences 2022 & 2023	University of Washington
Organizer weekly research meeting RADLab, 2020 – present	University of Washington
PhD platform representative for Work, Health, and Performance Group 2016 - 2018	Radboud University
Organizer weekly research meeting Work, Health, and Performance Group 2016 - 2019	Radboud University
Organizing committee member WAOP conference 2017	Radboud University
Organizing committee member internal PhD conference 2017	Radboud University
Organizing committee member internal PhD conference 2018	Radboud University
Organizing committee member 'Best dissertation award' WAOP conference 2018	Radboud University

SELECTED AWARDS/ SCHOLARSHIPS

WAOP best dissertation award 2022	WAOP society
ITHS Early Investigator Catalyst Award 2022	University of Washington
Top Reviewer for Psychology of Addictive Behaviors 2021 & 2022	APA
Young talent award 2019	Prins Bernhard Cultuurfonds
Emerging Scholar Research Grant 2017	MC Interest Group, ICA
PhD Mobility Fund 2018 & 2019	Radboud University
Internationalization Grant 2018 & 2019	Radboud University

PROFESSIONAL ACTIVITIES

Consulting editor: *Psychology of Addictive Behaviors*

2021 – present

Ad hoc reviewer: *Addiction, Alcoholism: Clinical and Experimental Research, Clinical Psychological Science,*

Cogent Psychology, Collabra: Psychology, Journal of Experimental Psychology: Applied, Journal of

Psychopathology and Clinical Science, Motivation and Emotion, Nature Reviews Psychology, Psychology and Social

Psychology Bulletin, Research on Child and Adolescent Psychopathology, Psychology of Addictive Behaviors,

Substance Use and Misuse

TEACHING EXPERIENCE

PSYCH 315 UNDERSTANDING STATISTICS IN PSYCHOLOGY

February 2021 – February 2022

Department of psychology, University of Washington, Seattle, United States

Guest lecturer

RESEARCH PROJECT 3 AND BACHELOR THESIS SUPERVISION

January 2016 – September 2019

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Supervisor (supervised 24 students)

MASTER THESIS SUPERVISION

January 2016 – September 2019

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Supervisor (supervised 16 students)

BEHAVIOR IN ORGANIZATIONS

October 2015 – December 2015

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Workgroup instructor

WORK, HEALTH, AND PERFORMANCE

October 2015 – December 2015

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Workgroup instructor

STATS 1 & 2

October 2016 – February 2018

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Workgroup instructor

MENTAL LOAD AND STRESS

November 2017 – November 2018

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Guest lecturer

APPLIED RESEARCH METHODS

December 2017 – December 2018

Behavioral Science Institute, Radboud University, Nijmegen, The Netherlands

Guest lecturer
